

The State of Maryland

Governor of the State of Maryland, to

DR. DROR PALEY

, Greeting:

Be it Known: That on behalf of the citizens of this State, in recognition of your outstanding work as one of Maryland's leading orthopedic surgeons performing the remarkable technique of regenerating bone surgery... in honor of the talent, skill and compassion that you have demonstrated throughout your career; and as an expression of our admiration, great respect and best wishes for continued success, we are pleased to confer upon you this

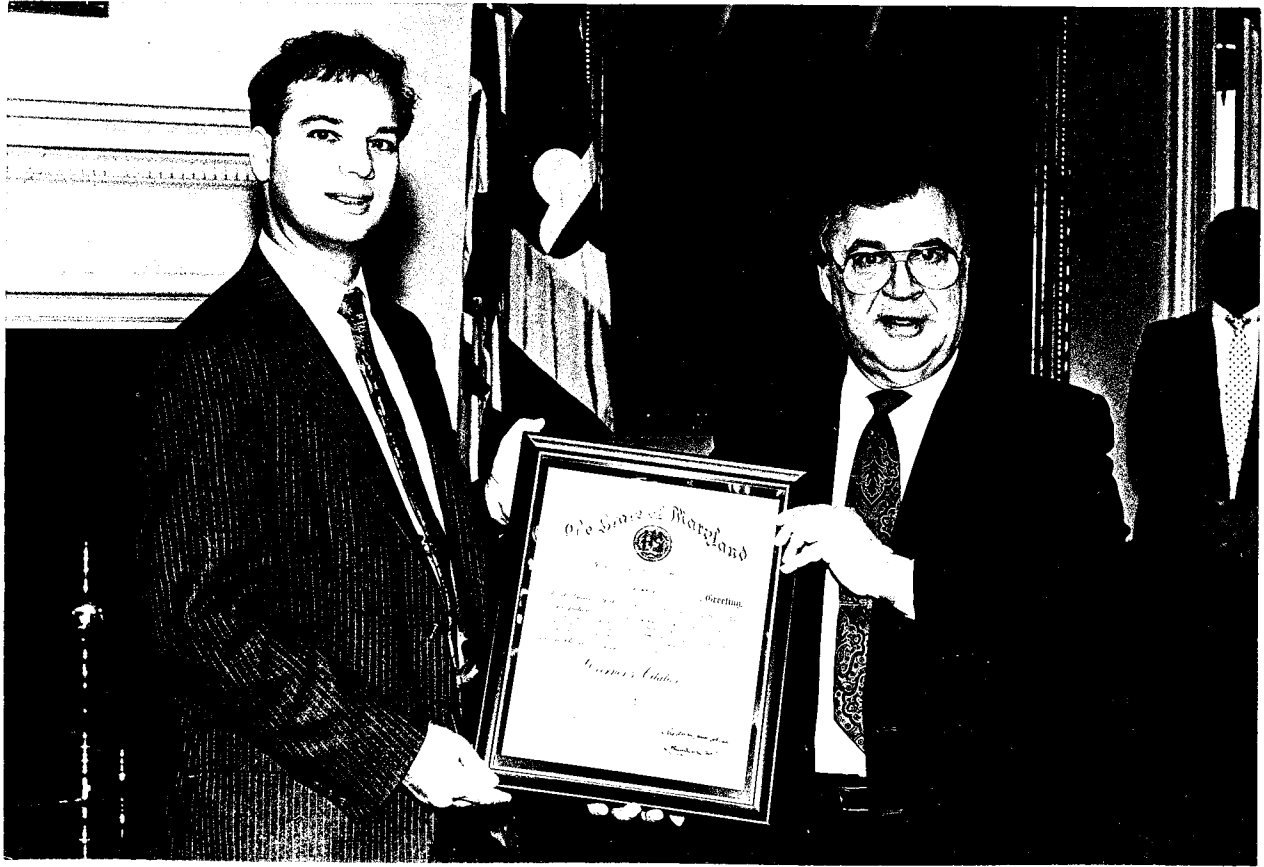

Governor's Citation

Given Under My Hand and the Great Seal of the State of Maryland,
this 6th day of April In the Year of Our Lord,
One Thousand Nine Hundred and Ninety

William Jones Shafer
Governor

Augustine F. King
Secretary of State

CAPTION:

In recognition of his outstanding achievements in the field of orthopedic surgery, Dror Paley, M.D., from the University of Maryland Medical Center (left), receives a Gubernatorial Citation from Lt. Governor Melvin Steinberg (right) at the State House in Annapolis on May 30. Dr. Paley was the first physician to perform an innovative bone lengthening procedure in North America, which helps people who have fractures that don't heal and a variety of limb deformities.
